

Dear Friends in Christ,

I am reminded from the 23rd Psalm that the Lord is my Shepherd. Jesus takes care of his sheep. There is not a moment that His sheep need anything because He provides for them. I encourage you to trust in the

Lord. Put your faith totally in Him. He will not leave you or forsake you.

We have come a long way during these days of COVID. God's church continues to worship and serve Him. I call on you to stay obedient to Him.

This past year darkened with anger and frustration, the Lord our Shepherd has continued to be by our side. I know He has provided for the needs of His flock. I am thankful for His protection and guidance during these days. I know He is the One that has made it possible for us to be here.

I believe God is not through with us yet. He has a plan for you and me. I believe that plan involves the Great Commission of taking the Gospel to every home in our community. To make that happen, we need your help. We need your prayers. We need your involvement in visiting your neighbor. The Gospel can still be shared, even during days of COVID.

As we use the wisdom that God has granted us, I believe we can go door to door still keeping our distance, using our masks, and communicating the Gospel to each household. We can call our neighbors and share with them God's precious Word over the telephone. We can send them letters and cards to let them know they have been prayed for and thought of that day.

God is not done with us yet. There are still many sheep that have gone astray from the flock. We need to find the sheep.

Sincerely in Christ,  
*Bro. Jay Hatfield*
